Twilight Baseball League Season Opens Here Today

MAN DROWNS NEAR QUARRY

PENNANT RACE WILL HAVE BIG OPENING

All roads, highways and byways will this afternoon lead to the first street ball park where Brick Deveraux and his fighting Barrel House club will clash with Cliff Cleek's Mechanics in the opening game of the Twilight League pennant chase.

Brick will probably trot out Lefty Gordon, the star twirler who did yeoman work for the Refinery club last year, while Cliff will shoot in Al Kolgen, a wise steady moundsman with plenty of stuff on the ball. Both club leaders refuse to commit themselves as to their battery selections. They are as finicky about divulging the names of the pitchers as a miser is about disclosing the hiding place of his hoard.

Old man Jinx has hit Cliff's club rather hard during the past week, sickness robbing him of the services of Pinkerton, his pitching ace, and injuries to Charley Schwake and Skip Roberts playing havoc to these two dependables who are equally at home behind the bat and in the outfield. Cliff says if he had these men in today's opener it would be "no contest," and assures the Mechanical department heads that he will have a club out there to uphold the diamond reputation of the Mechanics.

President Howard French will have the S. O. Band in the bandstand to whoop it up and promptly at 5:15 umpires Stolle and Lawlor will signal Joe Brooks to pitch the first ball to Dick Hanna, and the fight for the Standard Oil diamond classic will be on.

Howard French has had a squad of men busy laying out the foul lines and buckling down the new bases. The stands will be in first class shape, and the seats swept ready to receive the lady fans, with whom the local series have become quite the thing in the way of a favorite topic for discussion.

Santa Fe Will Sponsor Free Concert Tonight

A free recital will be given tonight by the Ada Wright Concert Company at the reading room of the Santa Fe, is the announcement of superintendent S. E. Busser of the reading rooms. Those in charge are anticipating that the rooms will be crowded and everybody is welcome to attend this event.

Among those who will appear on the program are: Miss Ada Wright, talented vocal soloist who is manager of the company and Mrs. W. D. Long who will impersonate leading public characters. Mrs. Fred Baum will render piano solos and will accompany Miss Wright. Many who have witnessed the Ada Wright Concert Company in past performances speak very highly of their offering.

Muny Band To Play On Friday Eve

Music lovers and the general public will be interested in the announcement that the first concert of the season by the Municipal Band will be given Friday evening at 8 o'clock at the Nevins avenue band stand according to Director A. A. Hart.

A varied program, embodying patriotic airs, popular melodies and operatic selections insures appeal to all who may attend.

Director Hart states that the concerts will be given hereafter once a week, and later in the season soloists will be featured on the programs.

The city council several years ago gave financial recognition and support in a very small way, and as the band justified the city's faith, the appropriations were increased from time to time, and last year \$2,000 was set aside.

There are twenty-five pieces in the band, and the personnel practically is the same as last year.

Retail Clerks Name Committee For Conference

At last night's meeting of the Retail Clerks Local No. 543, the Messademes McLain, Eloise Blomquist, Daisy Moore, and Miss Cecil Berry and Mr. W. J. Black were appointed a committee of five to meet with the Bay district of Retail Clerks in Oakland next Monday night and arrange for the annual Clerks' Day at Neptune Beach which is scheduled for the middle of June.

Stella Adair, first vice-president presided at the meeting, in the absence of Mrs. Lulu Roe whose resignation arrived and was accepted owing to her being ineligible for office holding as she was not at present engaged as a clerk. George F. Black was elected president and installed. He has filled the position on and off for the past eight years.

Sons of Saint George Have Dance, Banquet

Gladstone Lodge 533, Sons of St. George attended a banquet last night at Moose hall given by the Daughters of St. George as losers of a recent whist tournament. A dance followed the banquet.

The lodge will attend the picnic to be held next Sunday at Alameda beach. Class candidates initiation will take place on the next meeting night, Tuesday, May 17.

Mason's Ladies Enjoy Dance at Masonic Hall

One of the most delightful of the seasons Ladies Night entertainments was staged last night by the Alpha Lodge of Masons at Masonic hall. The affair was largely attended, dancing being indulged in by those present.

An elaborate musical program was enjoyed by all. The committee in charge of the entertainment program was W. J. Richards, C. D. Horner and J. E. Hill.

Lincoln School Parent-Teachers Enjoy Social

Parents, teachers, messes and tykes mingled in a scene of merriment and good fellowship at Lincoln Elementary school last night when the Parent-Teachers' association gave their first social since organization.

The big auditorium was packed with humanity, and a delightful program was happily carried out. Miss Edith Parks gave a charming vocal solo, and Miss Audel played a pleasing selection on the violin. Miss Mildred Owens showed ability in the rendition of a piano solo. The little girls of the first grade, under Miss Edwina Allen, gave a little song and dance which provoked a sharp encore. The youngsters were garbed in white, and wore fragrant wreaths of spring flowers in their hair.

The principal speaker of the evening was Miss Marion Smith, in charge of the opportunity classes of the Berkeley schools, and who also is devoting part of her time to similar work in the Richmond schools. She talked on "Special Work for Special People," stressing the importance of "placing round pegs in round holes," as Miss Nov. McNellie, city librarian, expressed it.

Professor V. T. Helms made a brief talk on a pertinent theme. Substantial refreshments were served. Mrs. W. T. Helms and Mrs. B. X. Tucker being in charge last night.

The president of the Lincoln Parent Teachers' association is Mrs. A. B. Lederwood.

Social meetings will be held hereafter on the first Tuesday night of each month.

Water Rates May Be Raised in Santa Fe Tract

Many water consumers of Richmond may soon be required to pay increased rates for their supply of water, if the prayer of McEwen Brothers be granted by the State Railroad Commission.

A petition for authority to increase the rates to those people of the city living south of the Santa Fe branch and from First street to Sixteenth street has been filed, and will come on for early hearing.

McEwen Brothers also are dealers in real estate. It is not known what reasons are assigned for the firm's requesting the increased rate.

Officers Are Elected by Point Eagles

Point Richmond Aerle 354, F. O. E. held their regular meeting at W. O. W. hall last night and elected the following officers: C. S. Caswell, Jr., past worthy president; W. O. Douglas, worthy president; W. Burke, vice-president; Ernest Weise, secretary; W. McChristian, treasurer; W. E. Darden, inside guard; C. Debol, outside guard and G. P. Donaldson, chaplain.

A number of applications were received and initiation will be held on Tuesday evening May 17. The candidates to the state convention in Rio Vista commencing June 13 were elected. Pete Soldovini and W. McChristian falling heir to the honor.

HUNDREDS WILL JOIN IN CITY'S FIELD MEET

Between 700 and 800 boys and girls will take part in the big track events which are called the Richmond Interschool Field Meet, to be held on the Y athletic field, at the corner of First and Bissell avenue Saturday, May 7.

Walter Meade, secretary of the local Y, and Miss Adams, director of physical education in the Richmond elementary schools, are perfecting a program which will make the folks of Richmond marvel.

The Richmond Rotary Club has contributed the ribbon for nearly three hundred lodges which will be the prizes awarded.

First prize are blue ribbons, second are red, third are white and fourth green. Each ribbon bears the well-known and lofty motto of the Rotary Club:

"He profits most who serves best."

Girls and boys will strive with zeal and intensity to win these trophies, and the awards are going to be made on the judgment of fellow students. The judges of the events all will come from the student body.

"Half the back yards in Richmond have been converted into tracks and stadiums," said Secretary Walter Meade to a Record-Herald representative. "The boys are jumping the daylight out of father. One Richmond daddy told me that his back had been terribly bent in high jumping and vaulting, in competition with his boy. Many private premises around the Point contain pits that Young America has built in making ready for the big day."

The kids are tremendously excited, according to Meade, and the merchants of Richmond have sold out their stocks of tennis shoes and athletic equipment.

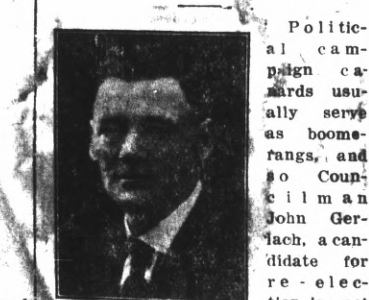

Last year which was the first year when anything like a real interschool meet had been attempted in Richmond, there were five hundred entries, and an attendance of 1,000 spectators, and with the increased interest throughout the city and its environs, and the assurance of more than seven hundred competitors, there ought to be 2,500 people present Saturday.

It's going to be a Red Letter Day in Richmond and the rational division of the day into two distinct halves, insures practically every one an opportunity to witness some part of the program.

Only Full Grown Men May Frequent City Pool Rooms

The petition of several of the local pool hall owners to have the city ordinance prohibiting minors under 21 years of age from entering their halls changed to 18 years was unsuccessful. Attorney D. J. Hall advised the city council that this could not be done until the state law was altered.

Gerlach Is Fighter Say His Friends

Politically, campaign cards usually serve as boomerangs, and so Count William John Gerlach, a candidate for re-election, is not seriously concerned by the cheap tactics that have been employed in an effort to defeat him.

One of the most puerile pieces of political piffle that has been produced is to the effect that he is not a resident of Richmond. John Gerlach has been a bona fide resident of the city for fourteen years, and during the major period of this stretch of years, has been a property-holder, and has been and is yet deeply interested in all matters looking to the civic and industrial growth of the Port of Richmond.

Gerlach is not being sponsored by any clan, and is making a manly fight on a clean record which shows a consistent championing of the causes of good government.

He is a native of Wisconsin, where they grow fighters, and his friends say that a worthy son of Wisconsin never lowers his standard, but strikes straight from the shoulder and fights to the finish.

Losing Ladies Serve Lunch to the Wining Side

Today at East Shore park, the losing side in the recent membership drive contest between the two sections of the Ladies Aid of Wesley Methodist church will give a picnic and serve lunch to the winners.

Mrs. Dunning, as captain of the losing side, assisted by Mrs. Kirkpatrick, aided and abetted by all the losing ladies are going to see the serving of a sumptuous and satisfying lunch to the winners.

The party is scheduled to leave for the park on the half past ten car this morning, and those privileged to attend need only to take along plates, cups, saucers and silverware.

Red Men Drill Team Prepares for Contest

At the regular meeting of Onetah Tribe of Redmen last night, the drill team practiced for their coming competition drill in June at the Oakland Auditorium. Sachem H. Hollenbaugh presided.

The announcement that new uniforms were to be bought for the drill team was made.

All Redmen are invited to attend tonight's short business session of the Onetah Council which will be followed by an entertainment and party in honor of Ivan Lautenschlager and his bride and the recent wedding of the former Miss Arnold. A banquet will be served.

Ladies Night for Mother's Day by Richmond's Lions

The adoption of a constitution and by-laws and the naming of standing committees were outstanding features of the business sessions of the Lions Club held yesterday.

In deference to Mother's Day, on text Tuesday the Lions will observe a Ladies' Night, and to perfect arrangements therefor, E. J. Crandall was chosen chairman of a committee.

On May 17 nominations for next year's officers will be made. The committees yesterday chosen are:

During May, June, July and August, commencing tomorrow, local banks will remain open from 3 until 4:30 p. m. on the afternoons of the fifth and twentieth days of the month, owing to the change in the working time of the Standard Oil Company.

MEMBER OF TUG CREW IS LOST IN DARKNESS

A member of the crew of one of the Crowley line tugs fell overboard and was drowned at a late hour last night during a voyage from Blake Brothers' quarry to Oakland, according to advices telephoned to the chief of police of Richmond.

The tug was towing a rock-laden barge from the quarry at the San Rafael ferry landing, for delivery to Rhoades-Jamieson & Company, and in some manner not divulged to the authorities here, the sailor was lost somewhere off the point, and his body has not been recovered.

The name of the sailor could not be ascertained.

OFFICIAL PAPER CITY OF RICHMOND

THINKOGRAPHS by F. J. HULANISKI

'TIS A MONEY-MAD AGE

It is wise to be forehanded and provident, but anything but wise to let the desire for riches run away with you, as so many are now doing in these rapid days since the world war. Half the people of the country are seeking to jump to the heights to which they should climb, as their fathers did before them, by slow degrees. "For the love of money is the root of all evil, which, while some have covered after they have erred from the faith and pierced themselves through with many sorrows," Paul knew the truth and told it in this, as in other things. We see this around us every day. The love of money is not only the root of all evil but it is a root that "beareth gall and wormwood." Money madness is more fatal than moon madness—it is the madness of all madneses. The lure of the guinea and the front and rustle of the crisp bank notes exercise a powerful influence over the minds of those who place a premium on material things, and who have imperfect knowledge of the spiritual. Some cannot resist the temptation to jump of an elevation to their death; others have no control of themselves when seized with money-madness, and fancy they see an opportunity to get something for nothing. Those who cannot practice self-denial in such matters are sure to "pierce themselves through with many sorrows." The better and wiser would it be for them to suffer for a season, even if they have to "cut up railroads and bushes and jumper roots for meat," as Job did.

And now one philosopher sizes it up that what a lot of young boys and girls think is love is only curiosity.

One chap is told of who always carries a whisk broom with him, to brush off his clothes when he gets up after taking a drink of hooch.

One working man who has been unable to locate a job worth while for some time complains with some logic that while theatrical performances and other amusements that cost money are provided for the jailbirds of many penitentiaries, work is not provided for many good, honest men who need it for the support of their wives and little children. Sob-squad philanthropists never were practical. The money wasted on flowers for criminals in prisons would buy a good many meal tickets.

And now another evangelist predicts the end of the world at an early date, though he does not quote his authority. Maybe you better pay up your subscription to this paper, anyway, to be on the safe side, and avoid trouble with St. Peter at the gate.

The Sultan of Something-or-Other, over somewhere across the sea, has just married his 127th wife. We sometimes think we have troubles to contend with, but now we should know better.

A Mr. Pendell of Peoria, is spoken of in the dispatches as a country editor and worth a million dollars. Mistake there somewhere. If he is a country editor he is not worth a million dollars, and if he is worth a million dollars he is not a country editor.

A phonograph never suffers in silence, or allows anybody else to do so.

Sometimes it is a hard job for a fellow to distinguish the difference between what he thinks he knows and what he knows the thinks.

A snob and a fake lives in perpetual fear of running into somebody who knows what he really is. Be yourself, whatever fault you have.

Charles Ray is Star in Role of Young Lover

In Charles Ray's feature, "Nine teen and Phyllis," which is at the Richmond theater today and tomorrow, and which can be best described as a comedy of youth, the popular star employed the use of a nobby little striped motor car. In the filming of some of the scenes the college boys to scout around town in the elegant creation, with Lincoln Steedman, as Jimmie, at the wheel. Mr. Ray's casting director was able to persuade several young fellows attending the University of Southern California to take part in these scenes.

The young collegians had so much fun in the enactment of these scenes that when the sequence was over, there started a lively bidding among them for the little car. Wes-

ley Gilmour, Mr. Ray's studio manager, is a business man. The result was that the car was sold to one of the boys, son of a prominent real estate dealer in Los Angeles, at almost double its original cost. And the lad is happy, for he spends a great deal of time telling the fair co-eds that "this is the car Charlie Ray and I used in 'Nineteen and Phyllis.'"

A Pathe news reel and an educational comedy reel will complete the bill.

HUSBAND AND WIFE BOTH SICK
Mr. and Mrs. Andrew Comer, Shenandoah, Va., were both ill. He writes: "Rheumatism and bladder trouble was our trouble. My wife had rheumatism in her arms so she could not use them. She has had no trouble since taking Foley Kidney Pills. I don't have to get up at night so much since taking Foley Kidney Pills, nor have I a weak back." Backache, sore swollen stiff muscles or joints, tired languid feeling—yield quickly to Foley Kidney Pills.

ARE WE SAVAGES YET?

Is the average of mankind all over the earth still more or less of a savage, that he should still war with his brother man and butcher millions, destroy billions in property and nearly ruin the whole earth? There are half a dozen wars yet going on in various parts of the world today, and more threatened, including one between this country and Japan. Is it not supremely foolish? The present high cost of living all over the earth is directly traceable to taxation for war debts and war armament, yet the three leading naval nations are now running a race with each other to see which can build the most and the deadliest warships. The races of the world are degenerating, in Europe, because of this cursed war game, because of the brave who never came back and those who might have been but never were. For generations the brave and strong have come to battle and been slaughtered, while the faints, the cowards, the cripples and the physically and mentally weak have stayed at home and bred more of their kind. The whole accused war business is a relic of barbarism and savagery, yet all of the so-called civilized nations of the earth today, in spite of the terrible devastating war just experienced, are strutting around with a chip on their shoulders and a bug under the chip, still further preparing to blow one another off the face of the globe. When man was a savage his principal occupation was killing his neighbor. Battles were fought for conquest and power, and that is what they are fought for today, as a rule. Lust for power and gain has butchered more human beings than any other cause since the dawn of history, and we are still at it.

If a man is bound and determined to go to hell, by drinking booze poisons or otherwise, he ought to equip himself with a headlight, so that other people can give him a clear track and not hinder his getting there in record time.

The old pieban breakfast of bacon and eggs before the war was the morning meal of the farmer on the railroad section, but later became a "dainty dish to set before the king." Now it is coming within the reach of ordinary mortals again, and we no longer have to fill up on sawdust, alfalfa and prunes.

The law and the custom of the land does not stretch out far enough to permit a man to marry another woman when his wife is away on a visit and he gets lonesome, which accounts for some of the hot water Banker Stillman is stewing in. Seems like there ain't much to do now in this old world except behave oneself.

A man sometimes gives himself credit for being resigned to his fate, when in fact he has simply settled down to being good and lazy.

It is said the statue of Liberty in New York harbor is becoming dangerously corroded. No wonder. It is surprising that she has not been corrupted as well.

One of the drawbacks of approaching old age is that a fellow can no longer view life with the same sang froid, whatever that is, as does sweet sixteen or a golf player.

The story that an artist painted a spider's web on the ceiling of his room so truthfully that the hired girl wore herself out trying to sweep it down, would have more appearance of truth were it not for the fact that there are no such kind of hired girls.

It takes many years to get to the top of the ladder of fame, but you can topple down in a very few minutes, as Mr. Stillman will testify.

Chamber of Commerce in a contest for the title of the World's Egg Basket.

The Richmond Poultry Association announces that it will hold monthly meetings on the first Friday of the month in the W. O. W. hall, where matters that pertain to the business, all the way from baby chicks to laying hens, will be discussed. Every phase of the business; how to feed the chicks and how to raise them to healthy maturity; how to classify eggs, and how to improve the stock, will be covered in the talks.

KOLLMAN

By W. L. Kollman

RICHMOND SPORT followers will be this week, and with a varied and star program of sporting events.

Commencing this afternoon at 5:10 at the First Post baseball park, Howard French, the dean of the Twilight League, composed solely from among the different department employees of the S. O. plant and financed exclusively by the thousands of workers there, will set the ball rolling in the first game of the season.

As is befitting the occasion, Howard will trot out Joe Brooks and Dick Hanna to start them off right. Joe will pitch the first ball which will be caught by Dick. Both men are of the progressive type, the type that is to be found leading the world today. They know that a certain amount of playful activity encouraged among the modern workers brings results, which may be why this pair are at the head of the mammoth S. O. plant.

THE KIDDIES will have their inning on Saturday at the First and Bissell street athletic field. Walter Mead, the hustling secretary of the local "Y" has lined up over 800 entries in the Public School boys and girls field meet for that day. Nearly three hundred ribbons will be given the junior stars who come in first, second, third and fourth and this will serve to stimulate and encourage the largest number, which is desirable in the staging of meets for the coming generation.

Judging from the interest displayed during the preparatory practice days held by the young athletes, the event will attract an enviable audience to see the starters gunned off the first or the aspiring ribbon winners in the sprints.

NEXT SUNDAY, Richmond will offer two stellar attractions for those that like to spend the day viewing others striving for glory and honors.

In the first the local Post No. 10 of the American Legion will tangle Oakland Post No. 5 on the First street ball park and a glance at the lineup forebodes a spectacular diamond offering. A good deal of keen rivalry has sprung up between these nines, and each is out to do or die. With Pinkerton on the side, the locals can still fall back on Happy and Bill Bradley to do the twirling honors. Either, when right, can deliver in convincing style, and manager Tsar Calfee says they are both arguing for the opportunity to be sent in against the invaders from Oakland. Bill has had a big league sojourn with the Pittsburgh Nationals. Terts, the jolliest and fastest fat short stop in captivity will probably lead off for our boys while Lambrecht, the elongated southpaw who has been besieged with offers to pose as the human flag pole will hold down first.

The proceeds from this game will be used to defray the cost of uniforms for the Post. The game will start at 2:30 and the admission will be 25 cents to the bleachers and 35 cents to the grandstand. The boys should have no difficulty in raising the necessary money for the uniforms.

FOR THOSE that like to travel away from home for their week end entertainment, a trip to the Idora Park polo field may be appealing. Next Sunday, the Richmond motorcycle polo team will clash with the Oakland polo cracks at the Idora Park polo field in what promises to be the most thrilling motorcycle polo set viewed since the game was invented. The Richmond players are composed of the most daring set of fearless riders that have as yet defied death before the public, and they have been cheered for their hair raising escapes in seemingly impossible plays executed against opponents.

They are led by "No-lights" Cappon who insists that all announcements of their games carry the information that they are from Richmond and this has been the means of giving the community valuable added publicity before thousands of spectators. As Tony originated this Richmond boosting idea long before the prevalent appeal for boosters, it can be seen at a glance that Tony is a charter member of this order.

Best Paint Covers This Far

Cheap Paint Goes This Far

Which Paint Costs Less?

NOTE how the best paint spreads easier and covers more square yards than cheap paint does.

Figure in the extra gallons of cheap paint that you must buy and the extra cost of application.

It means that cheap paint costs just as much as good paint on the house.

The best paint then gives five or more years' protection to your property investment. Cheap paint, on the average, starts cracking in twelve months. Which paint costs less?

The house paints we specify for your home are the result of 72 years' experience in making paints and varnishes for every purpose. Made to stand the peculiarities of western weather.

The best material—PIONEER WHITE LEAD, pure linseed oil, zinc and color—are combined with long-time skill, in scientifically exact proportions.

Our white lead base must pass through a silk screen with 40,000 meshes to the square inch. A patented purifier makes it "whiter," so Fuller paints are exceptionally clear-toned. The paint when finished and applied on the house is a beautiful, elastic, tough, protective coating.

Such paint costs but a trifle more to buy per gallon and is five to ten times more economical in service.

Don't allow surfaces to rot. It costs less to paint them.

Don't Wait Use Your Credit

I want to tell you a story of Mr. J. Thomas (this is not his real name). Mr. Thomas had been saving for years trying to furnish a home of his own but somehow—he couldn't understand it, the money seemed to slip away. Then one day he came in to see us. Said he didn't like the idea of buying on credit but it seemed the only way he would ever get started. Mr. Thomas rented a little home and now he has the finest little place you ever saw—chickens and shade trees and he is almost through paying and he owns the whole works. "I never miss the small monthly payments" he said the other day when he was in the store. Don't let a prejudice cheat you out of a home of your own.

THROAT TROUBLE CURED

Oakland, Nov. 1, 1920. To whom it May Concern:

I suffered from throat trouble for 15 years, during which time I could neither eat nor swallow without pain. I became very weak and was unable to work for months. I had numerous doctors and then tried a Throat specialist, who told me that my trouble was due to the blood. He advised me to take blood medicine. Thereupon my brother, who had been cured of Stomach Trouble by the FONG WAN HERBS, urged me to try them. After drinking the herbs for 15 weeks, I felt entirely well. I have since gained 25 pounds. It is 10 months since I took the herbs, and I am now giving this testimonial to let the public know that any sufferer should try the FONG WAN HERBS. I am a watchman for the California Food Specialties Co.

Shrine Festival Here On Saturday

Shriners are on the war path. They've got on their paint and their tomahawks are gleaming in the sun. Any Mason who is eligible to become a wearer of the red fez may as well prep to surrender.

From now till the concave meets in this city Saturday, determined nobles of the Mystic Shrine are going to scour Contra Costa county for worthy candidates and John F. Davis intimated to the Record-Herald, following last night's meeting, that ordinary excuses, such as men offer to their wives and to their tailors, will not pass muster with the Shrine campaign committee.

Automobiles will be requisitioned, and lynx-eyed Shriners are going out and search the purlieus of all centers for candidates.

Jno. F. Davis, Richmond ambassador of Aahmes Temple of Oakland, visited headquarters yesterday inviting the official divan to be present at the above stated meeting. The following officers promised attendance:

Lincoln S. Church, illustrious Potentate; William J. McCracken, Chief Rabbi; Jesse J. Dunn, assistant Rabbi; Maurice S. Stewart, high priest and prophet; Frank R. Haley, oriental judge; J. A. Hill, treasurer; George H. Smith, recorder; Lawrence E. Lund, first ceremonial master; Francis W. Smith, second ceremonial master; Henry C. Steinbach, director; F. L. Arbogast, marshal; H. Robert Braden, captain of the guard; Magnus P. Hill, outer guard; Otto H. Fischer, orator.

The program for Saturday has been announced as follows:

2 p. m.—Auto parade. Noble and ladies.
2:30 p. m.—Ceremonial, in pavilion. Theater party for ladies at T. & D. theater. Auto trips.
6 p. m.—Barbecue. Big campfire. Indian dances.
8 p. m.—Dancing, in pavilion at the Garden of Allah (Grand Canyon Park).

PRIZES
Ladies' diamond ring, value \$150, \$10 for the best decorated auto in parade.

CHAUTAUQUA

MAKE CHAUTAUQUA WEEK
YOUR VACATION WEEK

MUSIC

Chautauqua is a veritable festival of music. Leatrice's Little Symphony Orchestra is scheduled for two notable concerts. Then there is the Sam Lewis Company, headed by the prominent Welsh tenor, Sam Lewis; The Orpheus Four, America's foremost male quartet; The Jugo-Slav Tamburica Orchestra; Walter Jenkins; The Roach Freeman Company. Twelve concerts in all—certainly the music alone is worth far more than the cost of the season ticket.

LECTURES

Many notable appear on the Chautauqua lecture staff this season. Steffansson, the famous Arctic explorer is one of the headliners. Peter Clark Macfarlane, noted American writer, is another. Add to these two celebrities the name of Tom Skeyhill, just back from Russia, Hunt Cook of the Chicago Art Institute, Father Cronin and Burnell Ford, inventor and electrical scientist.

ENTERTAINMENT

An outstanding entertainment event is scheduled for the fifth night in a big play production presented by the Keighley Broadway Players with an all-professional cast. Another entertainment feature of note comes in the two programs to be presented by Ada Routh and Ruth Freeman on the second day. This is a duo with a country-wide reputation.
